

539-1-.06 Certified Copies of Convictions.

(2) Whenever a candidate for classification or approval or an applicant for classification, approval, or renewal of a classification reveals, or the Board discovers, that such candidate for classification or applicant for classification or approval or renewal of a classification has been the subject of a disciplinary action before any licensing agency, such applicant must supply the Board with a certified copy of:

- (a) any allegations that preceded the final order; and
- (b) the final order of that licensing agency.
